## Front Line Evangelistic Missions with a Passion!

HEA's full time, front line, film evangelism teams, transport their equipment on bicycles, motorbikes, taxis, busses, or on foot into the most remote areas! In the picture above, this is one of several motorbikes making their way that day to the location of a dirt road evangelistic campaign. In the last 5 years alone, HEA's Native Missionary Evangelists in Uganda & The Congo, have held 1,771 evangelistic campaigns, sharing the gospel with 847,959 people with 191,253 responding to the invitations!!

## Mark (HEA's Technical Director) training generator maintenance to the Film Evangelists in Uganda

We traveled to Africa to meet with our Film Team Evangelists from Uganda & The Congo DRC. We spent days going over their equipment including, generators, sound systems, projectors etc.

We took some new equipment & bags with us to replace some things that were worn out over the years, also spare parts for repairs. We also reviewed each teams reports covering the last 5 years.

Pastor Peter (below with his wife Irene) pastors a church of 2,000 in Uganda and also heads up Africa Renewal Ministries there. He supervises the film teams. Peter met with us and also his film team leaders. Peter shared this email with us in the past.

... "Our evangelists have been reporting amazing stories of conversions, churches that have reignited their passion for outreach and planting of new churches! Please pray for us as we look into the future. God has opened a very big door for us in the country of Burundi, and in other regions of The Congo and also in Southern Sudan. Our Dream is that God will provide and that we can also equip (with the help of HEA) evangelists in these regions with the same film evangelism equipment like we are using here in Uganda & in the Congo.

God bless you,  
Your partner in Uganda

Many years ago the goal for HEA was to put together a system that would allow the evangelist to set up a movie theater in a dirt road or field in 30 minutes. It had to be light weight, high quality, durable, and able to be transported on bicycles, taxis, motorbikes, busses, or even packed into remote villages on foot. In the picture to the right you can see that we did it!

Now, every night, around the world in 6 countries, thousands gather out in fields, basketball courts, or dirt roads as HEA's Native Missionary Evangelists project powerful evangelistic movies & boldly preach the gospel! This is a powerful church planting tool that our World Harvest Partners make possible by supporting HEA on a monthly basis. Thank you all!!

## One Night in the Market

One night, (after a conference), we took the speakers to the market to buy gifts for their families. Shortly after we arrived we ran into this dear grandmother who shared with us how the “Kingdom Kids Christmas” backpack outreach had impacted her family. She said that when her children were little they used to come to the KKC backpack outreach in the city convention center ...

Her children are now grown and they have children of their own. In December she brought her grandkids to the KKC outreach at our operations center. What a blessing it was. HEA is about impacting nations for generations!

A few minutes later we were approached by this young man (right) with his daughter. He began telling us that he also had grown up coming to the KKC outreaches in the convention center and how it impacted his life. He was so excited to see us and tell us his story. Special thanks to you all for supporting KKC!!

Later we ran into this girl (far left). She said, “I know you!” She began telling us how KKC had impacted her life when she was little and how she loved her God and had always attended her church. She then began to weep and tell us that she married & her husband didn't want anything to do with the Lord ... A few minutes later he walked up and we began to share with him that Jesus, the Lamb of God, died on a bloody cross because of our sin, his sin, and that he loved us so ... We told him that all God ever wanted was that His creation would love him back! ... He prayed and surrendered his life to the Lord right then & there!!

Then to top it all off ... A day later we made a 3 hour trip through the mountains for one of our conference speakers to preach in Ocosingo. On our trip back we stopped at a little store to visit a family that we had shared the gospel with in the past ... As we visited with the family a man & his wife walked into the store. The man became very excited and said, “Don't you remember me?” ... I said, “I'm sorry but where do I know you from?” He said that we were preaching the gospel in the prison and that he surrendered his life to Jesus ... He has since been released and he & his wife are now walking with God! **Thank you Jesus!**
