HEA's School of Front Line Missions 2015 Graduation

We thank the Lord for another group of young men & women who have graduated from HEA's School of Front Line Missions. They have returned to their own communities where they now work as Native Missionary, Church Planting Evangelists. They work under the supervision of their own national leadership ... boldly preaching the gospel to their own people, in their own languages, in their own communities!! Thank you all who give so generously that we may press into the harvest!!

In Luke 10:2 Jesus said ... "The harvest truly is great, but the laborers are few. Therefore pray to the Lord of the harvest that he will send forth laborers into His harvest!" ... We are now interviewing the new students who will start in Sept. You can have an eternal impact on this World by sponsoring one of these students ... \$200.00 a month covers their housing, books, & meals.

(The cover picture is of Alejandro ... His sister surrendered her life to Jesus (along with many others) in the last graduation)

The New Students will live in the dorms at HEA's World Missions Operations Center in Southern Mexico. They study with their teachers all week and then leave on Fridays with their Field Trainers to go deep into the remote mountains where they work with local pastors planting & growing churches!

On behalf of the Staff and the Students we want to thank you all who give to make this miracle

VBS of a Lifetime 2015 Pastors Training Conference

After months of work the "VBS of a Lifetime" for 25,000 kids is in the hands of the Pastors! They went through an entire day of training at HEA's World Missions Operations Center (pic right)

In a few weeks every one of the hundreds of pastors will return to HEA's center to go through a debriefing of their entire VBS by one of our staff.

We want to give a special thanks to Rebecca Archer who writes the entire program every year and also to Living Water Fellowship of Bulverde TX & Thousand Oaks Bible Church of San Antonio TX. Their members spent days counting out hundreds of thousands of pages & putting it all together!!

Greg & Michele*

July we worked on pouring the floor in a new church (picture left) for families who lost everything they had when the Zapatista Rebels drove them out of their remote mountain village. They lost everything!!

In the two pictures above you can see one of their kitchens and one of their bathrooms. Living Water Fellowship Church of Bulverde TX joined up with Experience Life Church of Lubbock TX (below left) and worked so very hard to bless these persecuted believers! Thank you all!!

We also helped build them homes (picture below) and with the help of a church from Tuxtla, we later built children's classes on the side of the church!

You can become a personal representative of HEA by sharing this newsletter with your friends ... We can also send you some extra news letters if you request them by calling our San Antonio office.
