

*"Reaching the Lost...
Wherever they are!"*

June 15, 2016 ~~ Volume 27 Issue 3

**Graduation - HEA School
of Front Line Missions!**

***Twenty five family members of the students surrendered their lives to Jesus as Greg preached the gospel for salvation during the graduation!
At HEA every event is an opportunity to boldly preach the gospel!
Thank you all for all you do that we can press into the harvest!***

We praise God for the 2016 Graduates of HEA's "School of Front Line Missions"

These students have lived at HEA's World Missions Operations Center in Southern Mexico for the last year. They have been intensely challenged by the HEA staff to pour their lives out for the glory of God no matter the cost! This is something that we don't take lightly ... As we tell their parents and pastors on orientation day, "We know that we may very well be preparing some of them to go out and pay the price with their own life that others may know Jesus!"

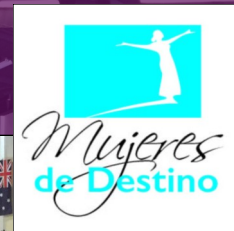

They will all return to work as their own churches missionary evangelists, under the leadership of their own pastors! Some of them work in very dangerous areas where the persecution is very severe ... Voice of the Martyrs map shows Chiapas Mexico as being one of the two areas on this side of the World that are hostile to Christians. Hundreds of Christians have been killed for their faith in these areas! Please be praying for these students as they return to work in their own communities.

What a Joy it was to have our dear friend Clayton Walker (above right) with us to preach the graduation message. Clayton says that when he was a teen the Lord used his time on mission trips with HEA to challenge him and call him into ministry. Clayton and his pastor Chris now lead one of the fastest growing churches in America "Experience Life" Lubbock TX. They have 5,000 people attending the church! Below you can see more of the student's family members being saved in the graduation!

Women of Destiny Conference

Almost 700 women filled HEA's World Missions Operations Center!

Incredible Conference!

We were so blessed to have Carol Houghton & Carol Cutler from Mark's church (Heritage in Oklahoma) with us to teach the conference. Mark Dittmer is HEA's Technical Director.

Margarita Ibarra (HEA's Administrative Director) translated for them.

Our center was full and oh how the Lord moved in the hearts of all who attended!

At the end of the conference Greg preached the gospel and invited those who were not saved to pass to the front to surrender their lives to Jesus! Almost 50 women saved!

Truly, destiny was shaped in the lives of hundreds of women who left our center to go home forever different than they came!

Thousands have passed through HEA's World Missions Operations Center over the years. Pastors, Leaders, Men, Women, Kids ... So many come in tired, weary, persecuted, and are ready to give up. As always, we want them to leave our center being renewed, praising their God, and ready to face another day!

We had drawings to give away several microwave ovens, blenders, dish sets, as well as a hand made quilt that the women of Heritage made! Our goal was to bless their socks off and we did!! The teaching was amazing! The first 500 women who registered received a "Women of Destiny" book bag with the Beth Moore study book "Believe God" along with other gifts.

Thank you all for making the miracle of HEA possible through praying & giving!
