How Important is Vision: by Greg McClanahan

Twenty eight years ago I was praying on the roof of a church in Monterrey Mexico at 2:00am in the morning ... We had just shown the Jesus Film in a dirt patio of a church.

We watched as 500 people filled the patio, and also the street out front. People were hanging out of windows & sitting on walls! We watched dozens of people respond to the bold preaching of the gospel ... Moms & dads with their children wept and cried as they surrendered their lives to Jesus!!

There on that roof praying I wrote in my notebook "no one can imagine what could happen if we could raise up, train, and

support Native Ministers to do this"... to do what they do best... to preach the gospel to their own people, in their own communities, in their own languages, and to boldly go where others can't or won't go!

If we could put the equipment into their hands we could reproduce what we did in Monterrey through many Native Missionary Church Planting Evangelists!! They could hold these same dirt road evangelistic campaigns right in front of the local churches or in areas where the pastors want to plant new churches! ... We had vision ...

It has now been 27 years and the Lord has blessed! 1.4 million people have surrendered their lives to Jesus over the last 10 years alone!

So many crying out to Jesus to be saved!

Have You Ever Dreamed of Reaching MILLIONS OF SOULS With the Gospel?

CAN YOU JOIN WITH US AS A WORLD HARVEST PARTNER?

You can become a “World Harvest Partner” by committing to support HEA on a monthly basis. We truly need your support!! We need to greatly increase HEA’s monthly support. Please consider joining hands with HEA.

We have been facing very serious shortfalls every month for a long time now, mostly due to the drop in the price of oil. Much of HEA’s support comes from families who donate from their royalties on a monthly basis.

As some of you know, we have been mentioning the need a lot throughout last year... That is only because it is so very, very important.

If God hasn’t called you to go, please pray for and help us send others!!

Also ... The ministries of HEA have grown so much over the years & we praise the Lord for that!

We need to expand our office staff in the USA as well as in Mexico so that we can continue to press into the harvest around the World with a passion! These key positions will help us to better serve our missionaries around the world, as well as our supporters. We consider it a privilege to be serving our Lord together with you in front line missions!!

Also, Many of HEA’s Native Missionary (Church Planting) Evangelists have already been trained & are needing to be sponsored with monthly support. Perhaps you would like to support your own missionary...

Your monthly donation of ... \$30.00 or \$50.00 or \$100.00

(together with the donations of others) will help support your own Native Missionary Evangelist to be on the field full time year round preaching the gospel, reaching the lost & church planting!

Your gift of \$300.00 a month could fully support them!

(This is an average ... the actual amount may vary depending on the economy of each individual country and area within that country)

Many of you asked and now you can set up secure “repetitive” online donations @ www.harvestevangelistic.org/donate/donate.htm

What a joy it was to have our dear friend Pastor Bobby Russ With us again!

We have known Bob for over 30 years and love to have him at HEA's World Missions Operations Center preaching to pastors any time we can!

Bob also brought one of the leaders from his church in Tennessee. We were so blessed by Bradley! He made major repairs on our van. Probably saved all of our lives!

Thank you both for coming!!
