Wherever they are!"*

HEA Church Planters hold hundreds of dirt road campaigns in the Philippines each year ... (page 4)

HEA's "Leadership with a Purpose Conference Series"

Harvest Evangelistic Association exists to raise up and train Native ministers to do what they do best ... reach their own people, in their own countries, in their own languages. As a part of that goal, at HEA's "World Missions Operations Center" we bring in the best teachers we can from around the world to bring cutting edge, topical leadership to the national leaders.

This is one of those conferences. This time we hosted 300 leaders for a two day Seminar on ... "How to Deal with the Jehovah's Witnesses", taught by Keith & Becky Walker (Founders of Evidence Ministries) and Joel B. Groat (Director of Ministries of the Institute for Religious Research).

Each Pastor was supplied with the same teaching materials to take back to their own communities where they will hold their own conferences preparing local churches to biblically answer the Jehovah's Witnesses.

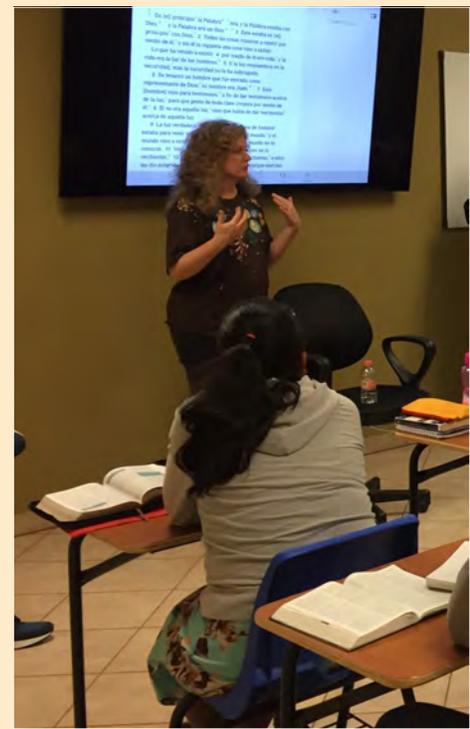

These leaders (above) came from all over the state of Chiapas. Many come from areas where the persecution is so very severe and some even come from areas where it can even cost you your life.

When we hold Leadership Conferences we do so understanding that many of them come in discouraged, weary, and not knowing if they can make it another day.

We always do everything that we possible can to bless their socks off!! We have powerful teaching on leadership but we also give away many gifts including some for them to take home and bless their wives!!

Meet HEA's Staff ... We consider it a privilege to represent you all in the harvest!

HEA Film Team Evangelist
Rolando Alberca / Philippines.
So many surrendering to Jesus!

(Continued from page 1)... Rolando leads 1 of 5 full time church planting teams that we have in the Philippines. The following testimony is from his recent Monthly Field Report ...
"On March 4, 2017 I held an evangelistic campaign in Marco Comval Province and many people attended. Pastor Danilo was planting a new church and had 5 families attending when he asked me to hold a Film Evangelism Campaign. On March 21st 2017 (17 days after the campaign) he called me to let me know the results of the campaign & follow up. The pastor said many new people are now attending the church. Pastor Danilo said 18 new families now attend the church!"

We are so blessed at HEA by the opportunity God has given us to represent you all in the harvest around the World!!
