36 New Churches Were Planted!

HEA's World Missions Operations Center. Filling the 20,000 Backpacks

People on mission trips from churches in the USA joined with HEA Staff and our "School of Front Line Missions" students to fill the 20,000 backpacks!!

What a great team and an Amazing week of preparations for the Pastors Training day!

After 3 days of filling the backpacks... a little rest!

600 Pastors & Leaders Being Trained at HEA's World Missions Operations Center to Use the 20,000 KKC Backpacks to Preach The Gospel to the Entire Family!

In the picture above, the pastors were being trained as we went over every detail of this evangelistic outreach... We want it to be the best it can be every year! The backpacks are tools that you all help us put into the hands of the pastors that they use to do what they do best... ***boldly preach the gospel to their own people, in their own communities, in their own languages!*** Every pastor from the 308 locations are required to return to our center after the outreaches to go through HEA's debriefings.

What a huge blessing it was to have Pastor Ed Newton & his wife Stephanie (Community Bible Church, San Antonio Texas) with us! ***They blessed our socks off!!*** Pastor Ed came to teach and encourage these pastors.

Many of these pastors work in very heavily persecuted areas. Some of them have even had their board homes burned down because of their faith in Jesus!!

Margarita, HEA's Administrative Director (right) was sharing with the pastors in the training that ***over the last 16 years... 607,714 people have attended Kingdom Kids Christmas Outreaches with 120,704 Kids, Moms, & Dads surrendering their lives to Jesus!! Thank you all who give... Thank you Jesus!!***

Our City Fire Department always helps us with any Children's events that we do. This year they brought the State Representative (in charge of Fire & Police) and presented every person who helped fill the 20,000 backpacks with a certificate of gratitude from the State Congress of Chiapas!

They also presented Pastor Ed with a custom made Firefighters Ax. They wanted to thank CBC & HEA for all that has been done for our City Fire Dept as well as the children of Southern Mexico. HEA has been very involved over the years in construction projects to help build our city fire station as well as bringing down donated fire gear & equipment from Fire Departments in the USA. **Thank you all who help us press into the harvest and thank God for His amazing favor!...**

... And God's Favor opens the doors to preach the Gospel...

Chief Marco Shared How He Was Saved!

After Chief Marco presented the certificates to the team he unexpectedly began to share his testimony right in front of his men and the 600 pastors & leaders (left) **He shared how he was saved in an event in that same HEA auditorium...** He shared how we had invited them all to a special candle-light dinner for the firemen & their wives. We showed them the movie "Fireproof." After the movie he said that Greg preached and that he, along with his wife and numerous others, were saved. Chief Marco also **shared how he was baptized in a river while he was on a pack trip deep in the mountains to a new mission with Greg, Mark & Jimmy Jackson... Wow!!!** Please be praying for his firemen who heard his entire testimony at the KKC pastors training!!

In our own neighborhood... as you can see it was amazing!!

We brought in 1,500 kids for the KKC Program at HEA's World Missions Operations Center. Our Students presented Clown Programs and we showed them a gospel cartoon movie on the big screen. Rebeca Sanchez, HEA's Children's Ministries Leader (picture left) preached the Gospel and hundreds of Kids prayed (below) to surrender their lives to Jesus! HEA's Teaching Staff also preached the gospel to hundreds of the parents who were waiting outside during the event! After that we gave out the backpacks to every child (picture right) and Michele counted to three for them to open them!!

Thank you all who pray & give so generously that we can press into the harvest!!

While the KKC Backpack Outreach is totally a Front Line Evangelistic Church Planting ministry, it is still important to note that the 20,000 backpacks are filled with school supplies.

The backpacks are filled with ...

40,000 Pencils / 40,000 Pens

40,000 Notebooks / 20,000 Erasers

40,000 Lollipops / 20,000 Scissors

20,000 Sharpeners / 40,000 toys

And of course... 20,000 Gospel Booklets.

Over the years you have helped us to supply 250,000 kids with backpacks!

Most of the areas where the Native Pastors take these backpacks are very remote mountain communities. These communities have primitive schools but there are no stores for the kids to get school supplies.

These school supplies help open the doors for the gospel to go into areas that are very resistant to the gospel.

You can become a personal representative of HEA by sharing this newsletter with your friends ... We can also send you some extra news letters if you request them by calling our San Antonio office.

HEA is a 501c3 non profit organization dedicated to reaching the lost, wherever they are. Our only desire is to be pleasing to our Lord Jesus Christ in all we do ... to know the will of God and to do it with all that is in us!! Your help is greatly needed and truly appreciated. All donations to HEA are fully tax deductible! Thank you! Praise the Lord!!!
