“Reaching the Lost, wherever they are!”

July 1, 2017 – Volume 28 Issue 3

“HEA’s School of Front Line Missions Graduation 2017”

Raising Up, Training, & Sending Native Missionaries to reach their own people, in their own languages, in their own countries!

Another generation of Native Missionary Evangelists are on their way back to their home churches where they will work as missionaries under their own pastors. They spend the school year with us where they live in student dorms and study in classes all day Monday through Thursday. Every Friday they head out deep into the mountains with their field trainers to apply what they have learned. HEA's "School of Front Line Missions" is very intense as we are well aware that we are preparing some of them to possibly go out & die for the gospels sake... Some of our students return to work in hostile areas where the persecution is very intense. Please continue to pray for them all as they serve the Lord.

VBS of a Lifetime 2017

After months of work, and with the help of the Mission Team from Experience Life Church, we were finally separating out the 500,000 individual pieces that make up the crafts for the 25,000 Kids!

Add to that the 125,000 lollipops, 30,000 crayolas, 250 pairs of scissors, 1,250 teachers lessons, and 250 pre recorded DVDs of dramas & children's songs... Now we have this years VBS sorted, packaged & into the hands of the pastors to be used in over 300 different locations! Wow!

Pastors Training

The Pastors and their Children's Ministry Leaders go through an entire day of training to prepare them for this huge evangelistic outreach to the entire family!

- In the picture (top left) Margarita (HEA's Administrative Director) is sharing with the pastors that from 2003 - 2016 1,454,257 people attended "VBS of a Lifetime"... 179,099 Kids, Moms, & Dads surrendered their lives to Jesus!!

Rebecca Archer of Arrow Ministries (top right) writes the entire VBS program every year and comes to HEA's World Missions Operations Center to help us prepare the Pastors and their Children's Ministers to use this as an opportunity to grow & plant new churches. As many as 30 new churches have been planted in a single year through this massive VBS community outreach.

We put these tools into the hands of the national pastors at no cost to them. They register their churches, attend the leadership training seminar (along with their Children's Minister) and they return to HEA's center after the project is over to go through the debriefings with a member of HEA Staff. We go over every detail of their VBS to make it the best it can be every year!

Thank You all who give so generously so others can know Jesus!!

The team also poured these cement steps at one of our churches.

We now have over 500 churches and missions that our own guys have planted over the last 20 years!
