HEA School of Front Line
Missions - 2018 Graduation

Another great group of students have just graduated from HEA's School & have returned to work under their own national leaders as Native Missionary Church Planters.

We want to thank Pastor Ed Newton (cover page & top right) and his team who came to challenge our students to press into the harvest with a passion... To go out to reach their world!

We want to give a special thanks to Margarita, HEA's Administrative Director (picture left) & Moises, HEA's School of Front Line Missions Director (cover page) for all that they do to make our school the best!!

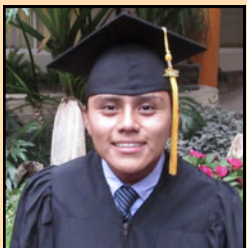

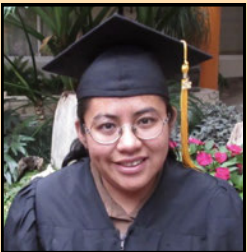

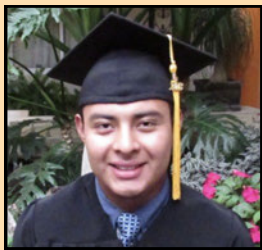

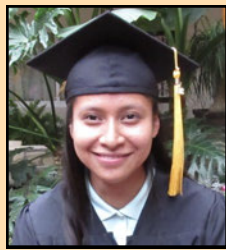

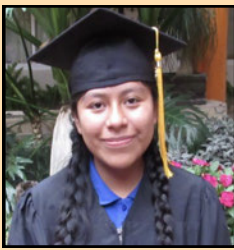

As one of the many ministries of HEA our school exists to raise up, train & equip and send out Native missionary church planters to preach the gospel to their own people, in their own countries, in their own languages. In the picture above you can see that they are passionate about their call!!!

As a gift for their graduation Greg gives them a new study bible... Michele gives them a package of tools for them to use to share the gospel... and Craig presented Luis Fernando, the top student, his award (right). Luis graduated with a law degree from the university but felt called by God to become a church planting evangelist. His pastor agreed and brought him to study missions at our school!!

And as always, at any HEA event we give the opportunity for people to be saved... 35 responded!

This is without a doubt the greatest group of students that we have ever graduated from HEA's School of Front Line Missions...

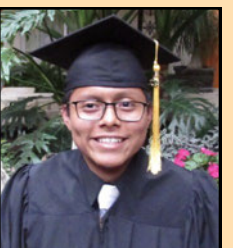

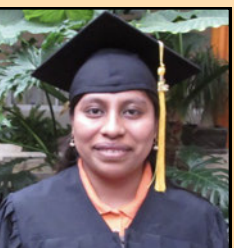

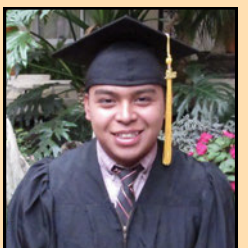

They are passionate about Jesus & reaching the lost! They are focused like a laser on their call to evangelism & church planting!

Now all we need is people who will stand with us by supporting them as they go out and preach the gospel to their own people, in their own languages, in their own communities.

Please, could you help HEA by supporting one of our graduates as your own full time "Native Missionary Church Planter."

For \$200.00 a month (based on their economy) you can fully support one of our students and help us keep them on the field preaching the gospel in these very remote mountain areas...

Just fill out the donation card in this news letter, check the box that refers to supporting a Native Missionary Evangelists & put in your own amount as \$200.00, as a monthly donation.

Thank you all who pray & give so generously that we can press into the harvest!!
