

## KKC's 20th Year!

The 20,000 Kingdom Kids Christmas Backpacks are filled & the Pastors are trained... Pray for this powerful evangelistic outreach into over 400 remote mountain communities! In 2017... 48,068 attended KKC... 11,611 Kids, Moms & Dads surrendered their lives to Jesus!! 36 new churches were planted!!

**This year 54 people (from 9 different USA churches) came to HEA's World Missions Operations Center in Southern Mexico on the KKC 2018 Mission Trip... During the week we put together the backpacks (350,000 individual items) trained & fed the pastors & pressed into the harvest!!**

*HEA's Leadership Training Center is turned into a factory for KKC every year!*

Later, 725 Pastors & their leaders went through an entire day of training & preparation... They use these backpacks as a tool to boldly preach the gospel to the entire family and plant churches in very difficult areas!!

Margarita (HEA's Vice President of Operations) below, sharing with the pastors, the reports for the last 17 years of KKC... 655,782 attended / 132,315 salvations!  
(does not include the KKC years of 1999 & 2000)

## Pastor Rob Lindley Preaching a Powerful Word for the Pastors!!...

We want to thank Pastor Rob for coming down with Joe White of OKC, Oklahoma. He blessed the pastors socks off with his challenge to never forget that "The Rock" (Jesus) lives in us and that we (as a lot of little rocks) empowered by God, can change the world! The response to the invitation was powerful as the entire front & platform was covered with pastors!

We also prepare the pastors to clearly preach the gospel to the kids and their parents in the KKC outreaches. We train them to share from Adam & Eve to the cross. That way people truly understand (many for the first time) what sin truly is... Where did sin come from... And what does that have to do with me??

In the end Greg always says that, "Yes, this was just an example & yes, this is how we want you to preach the gospel for the people to clearly understand but for some of you today it is so real that you have recognized that you yourselves have never been born again!"... 45 leaders responded to be gloriously saved... Just like the pastor in the picture to the left.

In the end all 20,000 backpacks are counted out and the mission team helped the pastors carry them out

After all of the backpacks are counted out to the pastors all of the chairs have to be stacked and removed and the floors swept and mopped... By 1:00am the first kids started lining up outside our door for our own neighborhood's Kingdom Kids Christmas Backpack outreach! As you can see in the picture below it is a lot of kids & parents!!

**Michele always said, "If we reach the children, we will reach the nations!"**

Rebeca (HEA's Children's Ministry Leader) heads up this part. For weeks she was working with our "School of Front Line Missions" staff and students preparing programs of Clown Ministry, Dramas, & Bible stories on the big screen, etc for the kids and their parents...

As Rebeca boldly preached the gospel the Lord began moving over the kids and their parents of their need to be born again, to be clean in the eyes of God!

We asked different mission team members to watch their sections of kids and try to give us their best estimate of what percentage of the kids were seriously praying to surrender their lives to Jesus!

Most said 40% so at HEA because we want to be super careful we will say 25% of the Kids prayed their hearts out (and some parents) Here are some pictures.

Thank you all for all  
that you do that the  
miracle of HEA  
continues!!

After all of this, every child gets up & goes through one of 3 lines to receive their backpack... They return right back to where they were seated to wait for Michele to count to 3 before they can open them! Let the celebration begin!

Some years we have as many as 2,000 kids in this event. We always have the help of our city Fire Department & Police.

Every year we have a special luncheon with our Firemen and Policeman after the KKC event to thank them for all they do...

We always share the gospel at the luncheon. Our Fire Chief & many other firemen from around the state have surrendered their lives to Jesus in these events!
