"...Let the whole earth be
filled with His glory!"

Psalm 72:19

July 15, 2019 Volume 30 Issue 2

School of Front Line Missions Graduation 2019

Thank you Pastor Ed Newton for coming & challenging the students!

"Vision Driven Missions... Reproducing Native Missionaries"

Any student that attends our school must first be chosen by their own national leader. Each student & their pastor go through a 4 hour interview process... First to make sure that the pastor is a visionary leader & second to make sure the student is called by God to be a missionary.

Once they are chosen they come to our center in Southern Mexico to live, eat, study & go out every weekend with their field trainers to work in church planting.

Moises (our school director) and the teachers have done an amazing job making the School the best that it can be!!

Just last week, while we were in the interview process for the new school year, one pastor sat and wept with us as he shared how important our school has been to his vision of planting 100 new churches... He has already graduated 6 missionaries from our school & brought 4 new ones!!

HEA's VBS of a Lifetime 2019 - 1,600,000 Individual Pieces

It Took 430,000 Tongue Depressors for the crafts!

After months of prep VBS of a Lifetime 2019 is now in the hands of the 300 pastors... They are now using it in over 400 different remote mountain locations to preach the gospel to entire families and as a tool to plant churches...

Last year 201,439 people attended (5 day accumulative) at 454 locations with 21,505 people surrendered their lives to Jesus... 3,667 of those were Adults & 44 new churches were planted!!

We want to thank HEA Staff (upper left) as well as Barney and his mission team from Great Commission Church, (upper right) for working tirelessly to get it all put together.

Thank you Rebecca Archer (above) for designing the VBS materials annually! Once we have produced and packaged all of the craft materials, lessons, etc, the Pastors & their Children's Ministers come to HEA's World Missions Operations Center & go through an entire day of training to help them to prepare their churches for this powerful evangelistic outreach!

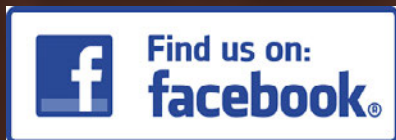

What an Amazing Opportunity... Bringing Sight to the Blind!

Thank you all for all
that you do that the
miracle of HEA
continues!!

We were so blessed to have Dr Sloan Rush of Amarillo Texas & his team come & screen 300 people for cataract surgeries. 40 people who were legally blind were selected for surgeries. For the first time in years they could see & some wept openly.

In the top picture there is a little boy who had a constant irritation in his eye. Dr Rush removed a stitch that had been left in his eye sometime in the past. It was a very delicate procedure. As you can see, he was very happy to have it removed!!

In the picture (right) a woman had asked Dr Rush to pray for her. After he prayed over her she looked up in amazement and began to weep & told us that she could see clearly! Glory to God who still does miracles!
