

"...Let the whole earth be filled with
His glory!!" ... Psalm 72:19

January 25, 2020 - Volume 31 Issue 1

**54,259 attended at
453 remote locations!**

**11,671 surrendered
their lives to Jesus!**

**2,411 of those
saved were adults!**

**49 new churches
were planted!!**

20,000 KKC Backpacks were filled, a total of 360,000 items!

We praise God for the 27 people (from 8 different churches in the USA) who came to HEA's World Missions Operations Center in Southern Mexico as a part of the 2019 KKC Mission Trip. They, together with HEA Staff and the students of our School of Front Line Missions, filled the 20,000 backpacks in an amazing 2 days!! We also took the USA Mission team out to a small church in the mountains where we held the first KKC outreach ... Many parents and their children surrendered their lives to Jesus that day.

You can see the pictures of parents surrendering their lives to Jesus on the back of this news letter!
(Picture: bottom of this page & the top of next page, you see the mountain of supplies before & after!)

Thank you all for being a part of the miracle!

This is one of HEA's Greatest Church Planting Outreaches of the Entire Year!

Here is one of the many powerful story's from the pastors as they went through their debriefings

Three years ago Pastor Belisario took the KKC Backpacks to a community in the mountains as a tool to plant a new church. **Juan & Claudia** (left) surrendered their lives to Jesus (along with others) and **offered their home for services every 15 days**. Pastor Belisario later requested that we send the students HEA's "School of Front Line Missions" to help him to follow up with further campaigns ...

The next year Pastor Belisario registered the community again for the backpack outreach. More families were saved! Pastor Belisario then **began holding services there "every week" by asking Juan** to help them by preaching there every other week. When it was time for KKC 2019 "**Pastor Juan**" registered their church & also 2 other communities for the KKC outreach! Juan said that Christians are very persecuted in these areas and the backpack outreaches have opened up them to the Gospel!

KKC Pastors Training Day
620 Pastors & Leaders

Leadership with a Purpose KKC Pastor Prep Conference

Every pastor that registers for the backpacks must return to HEA's World Missions Operations Center in Southern Mexico and go through an entire day of training as we go over every detail of the outreaches. We share with them how to clearly and boldly preach the gospel to the entire family and use these backpacks as a powerful church planting tool even in some of the most persecuted places in Southern Mexico.

203 New Churches have been planted through the KKC backpack outreach in the last 6 years alone!!

We were so blessed to have Pastor Mark Guinn & Pastor Rob Lindley who came to teach, challenge & encourage the Pastors!! We also are so thankful to the Mission Team who counted out 20,000 backpacks to hundreds of pastors & helped carry them out in 2 hours!!

1,500+ KIDS & PARENTS FROM OUR NEIGHBORHOOD FILLED HEA's CENTER

Rebeca, HEA Children's Ministry Leader

Rebeca organizes the entire program for this massive event! Our City Fire & Police Departments come out to help us with the line of kids & parents. The Students of our School of Front Line Missions present the gospel through Clown Ministries.

Mark, HEA's Technical Director, projects a Christmas Bible Story on the big movie screen. Rebeca very clearly preaches the gospel for the kids and their parents and invites them to surrender their lives to Jesus! So many surrender to Jesus!

All over the city we meet kids and parents over the years who tell us that they were saved in this event. One day while we were walking through the market we were stopped 4 times by people who were very excited to see us ... people who said that they were saved in our KKC outreaches at our center.

One of those was a grandmother named Andrea. She was very excited when she saw us and began to tell us how she used to bring her kids to the KKC outreaches & how they all learned about Jesus there, were saved & began to attend a church in our city. She said she now brings her grandkids!

Another married couple who had their little shop in the market came up to us & told us that they were both saved at the KKC outreaches when they were young. They cried there in the market with us as we prayed with them there on the sidewalk.

Rebeca (below) praying over the fire chiefs of 4 different cities who came to help us out!

WHOLE FAMILIES COMING TO JESUS OUT IN THE FIELD THROUGH KKC!!

Thank you all for all
that you do that the
miracle continues!!

Thank you all who give so generously to sponsor backpacks & promote this project in your Churches, Sunday School classes & small groups! Greg's sister once said, "Just think, if just 200 people could put aside \$20 each week throughout the year the entire project would be fully funded!"

Thank you all so very much for partnering with HEA!! We love you!
