

HEA's School of Frontline Missions 2020 (Covid-19) Graduates...

...With much help from our Lord we were able to keep the school going through the Covid-19 lockdowns in Mexico. We stopped all weekend field training and all student pastor visits for the rest of the year. The students were able to complete their classes but we were never able to have their formal graduation. We had hoped to finally have their Cap & Gown Service but Covid prevented that. These are not “formal graduation pictures” but we present to you our 2020 Graduating class of frontline missionaries! (continued Page 2)

(continued from page 1)... We thank God for our School Director Moises Ibarra and our teachers. Moises has done an amazing job over the years leading our school as we train and equip native missionaries to press into their world with a passion!! At HEA we are prepping our student missionaries to use cutting edge tools to share the gospel to the entire family... HEA's teachers are also on the cutting edge of frontline missions... They are fearless as they lead our students deep out into the mountains for their weekend field training in some very dangerous and persecuted areas. (see pictures below)

We have been so very blessed by the national pastors who have brought numerous students to our school over the years as a part to their organizations church planting vision. One of those pastors is Pastor German in Columbia. He had heard of HEA from pastors that he knew from Mexico. Pastor German contacted us and shared his vision to plant 200 churches in Columbia over the next 10 years. He has had 3 students graduate from our school and is sending 2 more for this fall. We hope to also be able to set up a new "Film Evangelism Team" there in Columbia in the near future!!

Guest Teachers

We bring in **Noel Márquez** (above left) from Louisiana every year to train our students to use drama in evangelism. Noel spends 2 weeks with our teachers and students, all day every day!

We also bring in **Aarón Ortiz** (above right) from Mexico for a week. He is one of the best there is in clown ministry.

After Graduation

While the students are in our school we work with their pastors to help them prepare the church for the return of their graduate missionary.

Once they return, their pastors help them to develop their ministry team. The graduates train their team members to use the many tools and methods that they were taught at the school to draw a crowd and share the gospel. Then the graduates preach the gospel from Adam & Eve to the cross and pray with those who desire to surrender their lives to Jesus!

So many people have surrendered their lives to Jesus everywhere in these graduate led outreaches!!

In the picture to the left you can see Team Comitán! 5 of the 6 missionaries in the picture were brought to our school by Pastor Josue...

We love to see our graduates serving as missionaries under their own native leaders.

Kingdom Kids Christmas 2021 is Going to Happen!

Due to Covid-19, KKC 2020 had to be canceled... This year will be the best ever!!

But we need your help! You can be a part of the miracle!

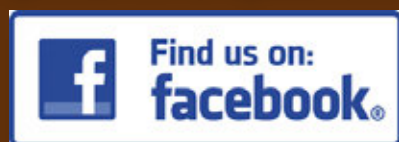

In the picture above our dear friends Joe and Donna White have always promoted the Backpack Outreach for several weeks in their church. They even had volunteers handing out the flyers to everyone as they entered the auditorium... for sure the best way to get them into the peoples hands.

KKC Pastors Training Day 2019 / HEA's World Missions Center / Mexico

We truly need your help in promoting Kingdom Kids Christmas!

We simply just can't do evangelistic outreaches of this magnitude without having an army of people to help. We have to get the flyers into the hands of thousands of people to get the 20,000 backpacks sponsored.

Will you please consider promoting this incredible evangelistic outreach in your Church, Sunday School classes and small groups. If you can help, please call our HEA/USA office at 210-490-2888 and leave us a message. We will contact you with details and later send you your own KKC 2021 promotional packet.

Kingdom Kids Christmas 2019 Results
