**These are  
our 2020  
Graduates**

We combined our 2022 graduation with the students that had finished the school in 2020... They could not have their formal graduation in 2020 due to Covid-19

# “Vision Driven Missions... Reproducing Native Missionaries”

We praise God for the students who attend our “School of Front Line Missions.” Each student is chosen by their own national leader to be in our school to prepare them to be their own organizations Missionary...

Each student (along with their pastor) go through a 4 hour interview process with multiple HEA Staff... Only 20 students are accepted into our school each year and so we must make sure that each student is truly called by God to be a missionary evangelist. Half of the interview process is dedicated to making sure that the pastor is a visionary leader.

Once they are chosen they come to our center to live, eat, study & go out on weekends to work in church planting with their field trainers.

We were so very blessed this year as we combined the students who finished the school in 2020 (but were not able to have their formal graduation due to Covid-19 restrictions) together with this years 2022 graduation... We also had 3 more students from Columbia graduate!! Their National Leader has a vision to plant 200 churches in the next 10 years in Columbia and considers our school as a key part of that goal!!

Moises, our School Director, and the teachers have done an amazing job making the school the best that it can be! A Pastor once told his student, “I brought you here because this is the best School of Missions in all of Mexico!”

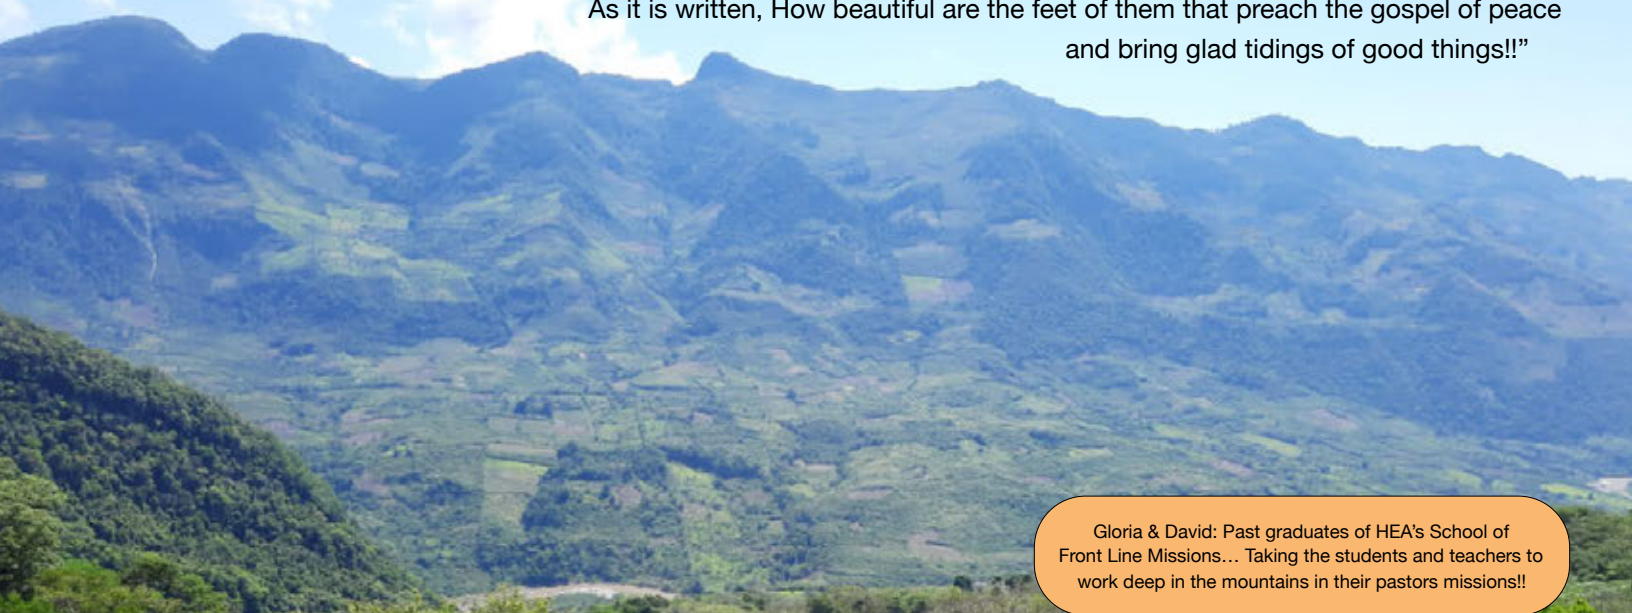

On the weekends (as a part of their field training) our teachers take the students packing into remote areas to preach the gospel. The pastors ask us to send the students to help plant new churches or grow existing ones.

**“How beautiful upon the mountains are the feet of of him who brings good news”... Isaiah 52:7a**

**John 10: 14,15 says...** “How then shall they call on him in whom they have not believed? And how shall they believe in him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach, unless they are sent?”

As it is written, How beautiful are the feet of them that preach the gospel of peace and bring glad tidings of good things!!”

**VBS of a Lifetime 2022... 40,000 people a day will attend for 5 days in over 400 different locations!!**

After several months of preparations we have now finished the final push of putting together the "VBS of a Lifetime 2022". We were so blessed to have the Mission Team from CBC (San Antonio) and also Michele's step brother Barney from Mississippi, and Rebeca Archer from Oklahoma, who all came to help package it all up, receive, feed and train the pastors, and put all 2,790,000 individual pieces that make up the VBS into their hands! Rebecca writes the entire VBS program!! HEA produces the materials... Almost 25% of those who attend the VBS's are parents and other adults. In VBS 2019 - 3,193 Adults were saved!

Thank you all for all  
that you do that the  
miracle of HEA  
continues!!

Every Pastor must go through an entire day of training at HEA's World Missions Center in S. Mexico before they receive the VBS Materials... We supply them all of the daily lessons, all parts of the crafts, CD's of the daily dramas for the church to act out and of course 150,000 lollipops... enough for every child for every day of VBS!!

We still need sponsors for many of the VBS's... Please pray if you could help HEA cover the cost of one of these Evangelistic VBS Outreaches... You can sponsor one of these VBS's for \$50.00 or 10 of them for \$500.00 or even 20 VBS's for \$1,000.00. Just fill out the enclosed response card and indicate your desire. Thank you all so very much for all you do!!!
