“Special Edition HEA Newsletter”

Kingdom Kids Christmas is coming soon!

You can be a part of the miracle by representing

these 20,000 kids in your church, Sunday school, or small group!!

A word from Greg & Michele... (continued)

We want to thank you all for making the miracle of HEA possible!! Thank you for praying us through some of the most difficult circumstances in some very dangerous places over the years! Together we continue pressing into the harvest around the world, "Reaching the lost, wherever they are!"

We're getting ready for the **Kingdom Kids Christmas 2022** backpack outreach, one of HEA's biggest and best front line evangelistic, church planting outreaches of the entire year. This will be the 23rd year of Kingdom Kids Christmas! **In just the last 7 years alone**, untold thousands have surrendered their lives to Jesus in over 2,500 remote mountain communities, and **248 new churches were planted!!!**

On December 2nd of this year, around 800 pastors and leaders will fill HEA's World Missions Operations Center in Southern Mexico and will go through an entire day of training. We will be thoroughly preparing every pastor to use these backpacks to reach whole communities and share Jesus with entire families!!

Our first and greatest need... is to have a mountain of people who will pray much for this amazing outreach!!

Second... we need sponsors for the **20,000 backpacks!!** At \$10.00 per backpack that is \$200,000 (fully funded)... The project hasn't been fully funded in recent years so, unfortunately, we have had to make many cuts of what we put in the backpacks so that we are able to continue preparing the 20,000 backpacks for the outreach. It's about reaching the lost.

Third... over the next few months, we will need a mountain of people who can represent these kids by presenting this project in your church, Sunday school, small group or just by sharing the flyers with your friends. It is also a great missions project for your children's ministry as they bring in their coins to sponsor backpacks! They can be a part of the miracle!

So how can you help us get the word out? The Promotional Packets will be sent out in a few weeks...

If you do not already receive the annual KKC Promotional Packet, please consider helping us get these flyers into people's hands. You can help by requesting your own KKC 2022 Promo Pack. All you have to do is email your name and mailing address to us at heaworld@gmail.com, and we will send you your very own KKC 2022 Promo Pack!!

If you have received a KKC Promo Pack in past years, you do not need to request one. The KKC 2022 Promo Pack will automatically be sent to you. We truly need your help. Hopefully, if you are able, you can help us get the word out about this amazing opportunity, and you can have an incredible impact in our world.

Whole families are coming to Jesus through these outreaches... So many lives and communities changed forever because you pray... because you give... because you help us to put these resources into the hands of hundreds of native ministers... It is just not possible for us to do massive evangelistic outreaches of this magnitude without the help of others who have a burden for a lost dying world. The Lord said, "The harvest is truly great, but that the laborers are few; pray therefore the Lord of the harvest, that he would send forth laborers into his harvest." We need laborers with will join us in the harvest by sharing KKC in their churches wherever and however they can. Thank you all so very much for all that you all have done to partner with us pressing into the harvest!! You are the miracle of Harvest Evangelistic Association!! *Greg & Michele*

Kingdom Kids Christmas 2022

20,000 backpacks filled with school supplies, toys, cookies & candy...

Through KKC 2021...

49,381 attended at 440 remote communities!

11,409 Surrendered to Jesus!

2,524 of those were adults!

45 new churches were Planted!! Glory to God!

You can be a part of the miracle of KKC 2022!!

We need sponsors for 20,000 backpacks! We need your help!

- \$10.00 will sponsor 1 backpack
- \$100.00 will sponsor 10 backpacks
- \$1,000 will sponsor 100 backpacks
- \$10,000 will sponsor 1,000 backpacks

And yes, there are families, businesses and churches who have sponsored 1,000 backpacks!

Every year it takes mountains of miracles, large and small, to make KKC possible!! Whether you can sponsor 1 backpack, 10 backpacks, 100 backpacks or even 1,000 backpacks we are so very grateful and your donations are so very important to us.

As someone once mentioned to us, "If just 200 people could donate \$1,000 each for 100 backpacks the entire project would be fully funded!"... That would be amazing!!

What a great opportunity for your donation to have an incredible impact in this World!

Please be sure to note on the enclosed response card what your donation is intended to be used for.

Your tax deductible donations, large or small, will help us reach thousands with the gospel and plant dozens of new churches.

Finally dear friends, Isaiah 6:8 says, "I heard the voice of the Lord, saying, Who shall I send, Who will go for us? Then said I, Here am I; send me." ... That is the cry of these pastors hearts... Here am I Lord, send me!! ... We at HEA exist to raise up, train and equip native ministers to clearly and boldly preach the gospel in their own countries, in their own languages to their own people... There are over 1,000 pastors that participate in the ministries of HEA in one form or another. This is our opportunity once again to put tools into the hands of these native ministers... Tools that open the doors for them into some of the most persecuted communities!!

Yes... Whole families are coming to Jesus!
